

Policy 10.2 HEAVY TRANSPORT ROUTES AND OPERATIONS

POLICY

In accordance with the following guidelines and on the roads herein specified, council will permit the operation of the following heavy commercial vehicle types:

That the attached Restricted Access Vehicle (RAV) Network details as they apply to heavy haulage vehicles using the local road network within the Shire of Carnamah and which is directly aligned to the RAV database maintained by Main Roads Western Australia, be deemed to be Shire policy;

That the RAV Network details be updated on a continuing basis in order to keep it current;

That the policy be made available without charge to all drivers of heavy haulage vehicles intending to use roads within the Shire, on request and that it also be placed on the Shires website.
