### 10.1.3 North Midlands Project – Application for rates exemption

Applicant:	North Midlands Project
Location / Address:	Lot 31 Macpherson Street, Carnamah
File Ref:	ADM0034 / A98
Disclosure of Interest:	Cr Bowman-Bright declared an interest in this item
Date:	10 July 2018
Author:	Ian Walsh - Deputy Chief Executive Officer
Attachments:	10.1.3 - Letter from North Midlands Project

#### SUMMARY

The North Midlands Project (NMP) has applied to have its commercial property at Lot 31 Macpherson Street, Carnamah, exempted from rates under Section S6.26 (2) (g) of the Local Government Act 1995. The NMP seeks consideration on the grounds that the land is not rateable land as it is used exclusively by their organisation, for community purposes and with programs freely open to the entire community.

This report recommends that Council accepts that the NMP meets the definition of a charitable group and that the land is used for charitable purposes and not rateable.

#### BACKGROUND

The NMP is a not-for-profit community strengthening organisation based in Carnamah. The organisation was incorporated in 2015 to enhance the quality of life, health and well-being of people through arts, culture, heritage and education.

Since 2017 the NMP have occupied the mechanical garage and yard at 4-6 Macpherson Street in Carnamah. Following extensive renovations the building was officially re-opened as "The Exchange" on 6 May 2018. The Exchange is used for a range of community purposes and as the core facility for the local delivery of their programs. It is home to an actively used book exchange, provides free WiFi, a community lounge-room, is regularly used for free arts workshops and will soon be home to both the Carnamah Tourist Information Office and the Five Gums Scout Group.

#### COMMENT

Given that NMP is a not-for-profit organisation that is providing programs freely open to the entire community to enhance the quality of life, health and well-being of people through arts, culture, heritage and education, it is recommended that their application for rate exemption status be granted.

#### CONSULTATION

#### STATUTORY ENVIRONMENT

*Local Government Act 1995 – Section 6.26 (2) (g)* states that land is not rateable land where it is used exclusively for charitable purposes (noting that land does not cease to be used exclusively for a purpose merely because it is used occasionally for another purpose which is of a charitable, benevolent, religious or public nature).

*Local Government Act 1995 – Section 6.76(i)(a)(ii)* outlines that a person may object to the rate records on the ground that there is an error in the rate record, for example, on the basis that the land is not rateable land.

### **STRATEGIC IMPLICATIONS**

Nil

### **POLICY IMPLICATIONS**

Nil

### **FINANCIAL IMPLICATIONS**

The Shire will suffer the loss of revenue of rates collectable for the land in question (\$1,557.50 for the current financial year). Rubbish charges are still payable.

### **VOTING REQUIREMENT**

#### **Council Resolution 20180704**

**Item: 10.1.3**

**Moved: Cr Stirling**  
**Seconded: Cr Risinger**

***That Council –***

- 1. Accepts that North Midlands Project meets the definition of a charitable group and that it uses the land in accordance with Section 6.26(2)(g) of the Local Government Act (vis. it is used exclusively for charitable purposes and not rateable);***
- 2. That no rates will be levied for Lot 31 Macpherson Street, Carnamah, effective from 1 July 2018; and***
- 3. That the annual charge for rubbish removal will continue to apply to the property.***

#### 10.1.4 Request for reduction of water consumption charges

Applicant:	Mark Smullen
Location / Address:	Lot 85 Lucas Drive, Carnamah
File Ref:	ADM0102
Disclosure of Interest:	Nil
Date:	12 July 2018
Author:	Ian Walsh - Deputy Chief Executive Officer
Attachments:	Nil

#### SUMMARY

This report recommends that Council agree to a reduction in water consumption charges raised for the period 13 December 2017 to 18 April 2018.

#### BACKGROUND

The applicant's employer leases one of Council's factory unit from which they operate their electrical business.

One of the conditions of the lease of the factory units is that the lessee is eligible to lease one of the three Lucas Drive houses (Lots 83, 85 or 88) for themselves or their staff.

The lease agreements for these houses contain a clause that the tenant is required to pay 50% of water consumption cost.

#### COMMENT

The table below shows average daily consumptions for various periods:

Period		Total Cost \$	No Days	Total Usage KI's	Average Daily Usage
From	To				
11/10/2016	6/04/2017	953.66	177	330	1.86
17/10/2017	18/04/2018	2,987.36	183	657	3.59
11/10/2016	16/10/2017	5,396.48	370	601	1.62

As can be seen from the above, water consumption has almost doubled between 2016/17 and 2017/18 for the period October to April.

The reticulation system was turned off in April 2018 and the last account for the period 19/5/18 to 12/6/18 was only 27 kl's or 0.5kl's per day

The only explanation the tenant can provide for the increase is that the reticulation controller or the solenoids are faulty.

## 10.2 ADMINISTRATION REPORTS

### 10.2.1 Community Centre Development Strategy

Applicant:	N/A
Location / Address:	Carnamah Town Hall
File Ref:	ADM0262
Disclosure of Interest:	Nil
Date:	6 July 2018
Author:	Karen Oborn - Chief Executive Officer
Attachments:	Nil

#### SUMMARY

This report recommends that Council rename the ‘Carnamah Youth and Community Centre’ to ‘**The Carnamah Performing Arts and Community Centre**’. As well, approves the re-painting of the building, and includes wall art installations, as a community arts project, subject to funding. In addition, the report recommends Council approve the repair of the stage to accommodate professional events, subject to funding.

#### BACKGROUND

The Shire of Carnamah Townscape, Road Verge, Public Open Space Management Plan & Development Strategy (TRPM) was adopted in May 2018. The TRPM outlines the strategies and actions required to meet the community of Carnamah’s and Eneabba’s aspirations outlined in the Shire of Carnamah ‘Strategic Community Plan 2017-2027’ (SCP).

A key component of the TRPM is to develop a District Learning and Cultural Precinct. The ‘district learning and cultural precinct’ is intended to occupy the top section of Macpherson Street in Carnamah. The project includes re-purposing the historical and significant buildings in the proximity when funding is available.

In this precinct area, The ‘North Midlands Project’ through ‘The Bank, ‘The Exchange’ and the Regional Learning Hub, deliver scheduled arts, culture, heritage and education programs for the community. The Shire continues to support this and other projects which complement the development of a ‘district learning and cultural precinct’, such as the existing heritage and walk trails, museum, tourist centre, Astro-Tourism (community learning about astronomy) and the Digital Projects, maximising the opportunities available for the regional and local communities, as well as visitors to the region through improved internet services.

#### COMMENT

The ‘North Midlands Project’ has asked if the Carnamah Youth and Community Centre can be renamed ‘**The Carnamah Performing Arts and Community Centre**’, to tie in with the intention of the District Learning and Cultural precinct. In addition to approving the re-painting of the building, with the inclusion of wall art installation, as a community arts project, there is also a need to approve repairs to the stage to accommodate professional level events, subject to funding. This is because the stage surface is bowed from being left outside at one point.

## 10.2.2 Townscape Management Plan and Development Strategy

Applicant:	N/A
Location / Address:	N/A
File Ref:	ADM0208
Disclosure of Interest:	Nil
Date:	9 July 2018
Author:	Karen Oborn - Chief Executive Officer
Attachments:	Nil

### SUMMARY

This report is for Council information, regarding the adoption of the Townscape Management Plan and Development Strategy, following the period of public consultation. As no submissions were received the strategy has been adopted.

### BACKGROUND

The Shire of Carnamah Townscape, Road Verge, Public Open Space Management Plan & Development Strategy (TRPM) outlines the strategies and actions required to meet the Community of Carnamah's and Eneabba's aspirations outlined in the Shire of Carnamah 'Strategic Community Plan 2017 -2027' (SCP). As a result of the consultation process, the Community of Carnamah identified a number of strategic priorities appropriate to the management of the Shire's amenity and services. These included the delivery of effective services critical to maintaining the Shire as one that will continue to attract residents, businesses and tourists. The Shire will continue to engage with key stakeholders to plan for future needs and deliver the strategy objectives in the SCP. The Shire's primary objectives are to meet its health and environmental responsibilities, ensure service delivery cost effectively to improve amenity and promote the attractiveness of the district.

### COMMENT

At Council's OMC May 2018, Council agreed to Item 10.2.7 - That Council;

1. Advertise the attached Townscape Management Plan and Development Strategy, in addition to the policy, "Townscape, Road Verge and Property Amenity", for a period of 21 days calling for Public Submissions;  
and
2. If no submissions are received, adopt the attached Townscape Management Plan and Development Strategy, in addition to the policy (App.2) "Townscape, Road Verge and Property Amenity", following the period of public consultation;  
or
3. If submissions are received, consider the adoption of the attached Townscape Management Plan and Development Strategy, in addition to the policy (App.2) "Townscape, Road Verge and Property Amenity", following the period of public consultation at the next Ordinary meeting of Council.

File Ref:	ADM0202
Disclosure of Interest:	Nil
Date:	6 July 2018
Author:	Karen Oborn - Chief Executive Officer
Attachments:	10.2.3 - Response to the WAPC green paper

#### SUMMARY

This report recommends that the Council submit a comment to the WAPC regarding their green paper on planning reforms in WA, and endorse the draft statement.

#### BACKGROUND

Comments are being sought (as well as endorsement) by Councils on WAPC green paper recommendations to reform the planning process in WA.

#### COMMENT

In responding to WAPC's request for comments, it is believed that two key issues must be addressed; 1) cost shifting to the Local Government sector as the WAPC is advocating for an increased reporting burden and regulatory requirements around structure and content of planning strategies and policies. This will require many hours of rework and review at a considerable cost to the community. 2) There is a need to achieve alignment with WALGA's policy on climate change, the UN goals around sustainability (2015) and the community's objectives in the States IP&R – SCP's, to ensure land developers cannot leave behind long term infrastructure and environmental problems, that again the community is left to rectify at considerable cost.

## 10.2.4 Skate Park Proposal

Applicant:	N/A
Location / Address:	N/A
File Ref:	ADM0153
Disclosure of Interest:	Nil
Date:	12 July 2018
Author:	Jess Atchamah – Projects Officer
Attachments:	10.2.4 - Proposed location map

### SUMMARY

This report recommends that Council give approval for the Shire to undertake community consultation to gauge the interest for a Skate Park facility. Following the community consultation, the proposal will be submitted to the relevant grant funding bodies to determine our grant funding application capacity and also to engage a Skate Park company for consultation.

### BACKGROUND

Skate Parks are increasingly becoming a well utilised recreational facility and attraction in many small towns in Australia. They allow the community to have more recreational choices suitable for all ages therefore facilitating the benefits of outdoor recreation. A Skate Park will be very beneficial for the youth in the community. It will offer a designated space for them to go after school hours or during school holidays. The proposed area of the Skate Park includes the playground which will also be renewed to make it more suitable for the location. This will be another facility that will make our community more attractive and encourage young families to locate here.

### COMMENT

The Skate Park will provide a focal point for youth, keep pace with growing recreational demand and provide a meeting place for people of all ages; including travellers that might stop and explore Carnamah. It will also engage younger community members in outdoor recreational pursuits.

Some of the other project objectives are:

- Reducing the rate of graffiti and vandalism being caused by “bored” youth in the community (we are hoping that the grant funding will be able to include CCTV that will be installed near the Skate Park for safety)
- Opportunity to attract development and challenge opportunities for the youth
- Opportunity to upgrade the playground and make the best use of the facilities available
- A high demand outdoor recreational facility in the community
