

22 February 2021

NOTICE OF MEETING

Dear Councillor,

A Special Meeting of Council will be held at Shire of Carnamah, Council Chambers 33-37 Macpherson Street Carnamah at 5:00pm on Wednesday, 24 February 2021.

The attached Agenda is presented for your consideration in relation to the participation of the Shire in the Big Tractor project.

Vin Fordham Lamont
CHIEF EXECUTIVE OFFICER

Please Note

If an Elected Member has a query regarding a report item or requires additional information in relation to a report item, please contact the senior employee (noted in the report) prior to the meeting.

AGENDA

SPECIAL COUNCIL MEETING

24 FEBRUARY 2021

ATTENTION/DISCLAIMER

No responsibility is implied or accepted by the Shire of Carnamah for any act, omission or statement or intimation occurring during Council or committee meetings.

The Shire of Carnamah disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council or committee meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or committee meeting does so at that person's or legal entity's own risk.

In particular and without detracting in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or intimation of approval made by any member or officer of the Shire of Carnamah during the course of any meeting is not intended to be and is not taken as notice of approval from the Shire of Carnamah.

The Shire of Carnamah advises that anyone who has any application lodged with the Shire of Carnamah shall obtain and should only rely on **WRITTEN CONFIRMATION** of the outcome of the application, and any conditions attaching to the decision made by the Shire of Carnamah in respect of the application.

SUMMARY

Council is requested to consider approving the Shire of Carnamah's participation in the Big Tractor Project as detailed in this agenda item.

BACKGROUND

The Vintage Tractor & Machinery Association of WA (Tracmach) is a group of enthusiasts with a love of old tractors and machinery. The members also have a very good understanding of the historical and cultural importance of their interest to the State.

In 2018, Tracmach came up with an idea to both recognise the historical importance of Chamberlain tractors to the WA agricultural industry, and create a major tourist attraction for rural WA. A giant-sized replica tractor, in a similar vein to WA's giant ram, Queensland's giant pineapple, and countless "giant structures" around the globe, would be designed. Plans were drawn up professionally at Tracmach's expense, with the goal of constructing a structure that will be 11 metres high, 8 metres wide and 16.5 metres long. This is approximately 5 times the size of the real thing.

The subject of the plans is the Chamberlain 40KA tractor, which was Chamberlain's first model (produced in 1949). The choice of a Chamberlain tractor is important because it was manufactured in Western Australia until the brand was subsequently bought out by John Deere.

Tracmach advertised for expressions of interest and there was significant response from towns across WA. In 2019, Gnowangerup was chosen as the site for the tractor.

On page 14 of the Farm Weekly newspaper of Thursday, October 15 2021, there was an article about the Big Tractor project. In summary, it was reported that Gnowangerup was not proceeding with the project. This news sparked the interest of some locals in Carnamah, who then approached Mr Hal Walton and the author. It was agreed that the project would have worthwhile benefits to the community and that Mr Walton and Mr Brendon Haeusler would form a committee to co-ordinate the project.

Tracmach has confirmed that it will not seek further expressions of interest at this stage. Instead, it will work with Carnamah to bring its dream to fruition.

This project is not listed in the Shire's current Corporate Business Plan.

COMMENT

Carnamah is the perfect location for the Big Tractor as it is already home to Walton's Tractor Museum, one of the finest collections of tractors and agricultural machinery in the world. All exhibits are under cover, and all are in perfect working order.

The committee believes that this project would result in a fantastic new tourism attraction for rural WA and, in particular, become the gateway to the north. It would also salute those West Australians who put their sweat and tears into developing the agricultural industry in WA.

The author has provided some basic administrative assistance to the project but, essentially, the Shire's main involvement is to auspice a Federal government Building Better Regions Fund grant on behalf of the project. The Shire is the only stakeholder eligible to apply for this grant, which can cover up to 75% of the project cost, and for which applications close on 5 March 2021. To ensure this eligibility, it will be necessary for the Shire to arrange to lease a portion of land from Mr Walton to the west of the tractor museum and facing the Midlands Road.

Council is also requested to consider covering the following costs associated with the project:

- \$602 - initial LGIS cost of adding the tractor to the Shire's asset register
- \$1,680 – annual ongoing insurance premium
- \$91 – ongoing collection of rubbish bin
- \$6,000 – estimated annual parks and garden maintenance

Letters of support have already been received from:

- Melissa Price, Federal Member for Durack
- Vintage Tractor & Machinery Association of WA (Tracmach)
- Regional Development Australia, Midwest & Gascoyne
- Tourism Geraldton Midwest
- Australia's Coral Coast

The Carnamah Historical Society Inc. has agreed to accept donations to the project as it has tax deductibility status which will be of benefit to donors. The Shire will then invoice The Carnamah Historical Society Inc. for the sum of the donations.

The grant funding conditions are such that the project must be completed by December 2023. The manufacture of the tractor is a 12 month build so, although there is plenty of time for this to be achieved, it is hoped that grant applications will be approved in a timely manner.

s6.8 Expenditure from municipal fund not included in annual budget

STRATEGIC IMPLICATIONS

Shire of Carnamah Strategic Community Plan 2017-2027

Theme: Economic

Objective: To retain existing industries and encourage the establishment of new industries to broaden the district's economic base and develop and maintain an efficient road transport system.

Strategy: To promote and develop a sustainable tourism industry in the Shire of Carnamah.

POLICY IMPLICATIONS

Policy 2.13 Proposals Requiring Shire Funding and/or In-Kind Support

FINANCIAL IMPLICATIONS

The only shire costs to be expended this financial year will be:

- Planning application costs of \$1,000
- Building applications costs of \$5,500

The Shire has budgeted \$17,000 (Account # 2120212) for revaluation road infrastructure assets which, due to changes in the accounting standards is no longer required this financial year

It is proposed to reduce budget expenditure for Account # 2120212 (Road Maintenance - Sealed Outside Built Up Area) by \$6,500 and increase expenditure for Job # W0093 (Area Promotion).

The Deputy CEO has estimated the annual cost of maintaining the area to be around \$6,000, which could easily be covered under the current budget for Carnamah Town Street Gardens (Job # W0048).

The cost to Council for Veolia providing a 240lt bin pickup is \$90.95 per year.

It is proposed that the ongoing costs be included in subsequent annual budgets.

Tender documents for the manufacture, transport and erection of the big tractor structure have been developed. Clause 1.12, in part, says that "Acceptance of any Tender will be subject to availability of funding through an appropriate grant funding program, and the Shire reserves the right not to accept any Tender." This will protect the Shire from financial risk if the grant application is unsuccessful.

In addition, the grant application can only be submitted if contributions of \$300,000 have been pledged. Work on the project will only commence once the \$300,000 has been physically received by the Shire.

VOTING REQUIREMENT

Absolute Majority

RECOMMENDATION

That Council, by absolute majority, resolves to approve the Shire of Carnamah's involvement with the Big Tractor project by:

- Endorsing the calling of the tender to manufacture, transport and erect the big tractor structure.
- Applying for grant funding through the Federal Government's Building Better Regions Fund, subject to the receipt of pledges to the value of 25% of the project cost.
- Executing a peppercorn lease from Hal Walton Nominees Pty Ltd over a portion of 5 Forrester Ave, Carnamah for the purposes of this project.
- Accepting donations for the project from Carnamah Historical Society Inc. (which will act as the official receiver of donations due to its tax deductibility status).
- Funding the planning and building application costs totalling \$6,500 by moving funds from Account # 2120212 (Road Maintenance - Sealed Outside Built Up Area) to Job # W0093 (Area Promotion).
- Funding the insurance for the structure, and maintenance of the site on an ongoing basis.

7.2 Ordering of the Common Seal – Lease Between Hal Walton Nominees Pty Ltd and Shire of Carnamah
